PRAYER SONG- NOW DEAR LORD, AS WE PRAY

Now, dear Lord, as we pray, take our hearts and minds far away
from the press of the world all around to your throne where grace does
abound.

May our lives be transformed by Your love, may our souls be refreshed from
above.

At this moment, let people everywhere join us now as we come to You in
prayer.

OFFERTORY RESPONSE- WE GIVE THEE BUT THINE OWN

We give Thee but Thine own, Whatever gifts may be.
All that we have is Thine alone, A trust O God from Thee

SDAH 590- TRUST AND OBEY

1. When we walk with the Lord
in the light of his word,
what a glory he sheds on our way!
While we do his good will,
he abides with us still,
and with all who will trust and obey.

Refrain

*Trust and obey, for there's no other way
to be happy in Jesus, but to trust and obey.*

2. Not a shadow can rise,
not a cloud in the skies,
but his smile quickly drives it away;
not a doubt nor a fear,
not a sigh nor a tear,
can abide while we trust and obey.

3. Not a burden we bear,
not a sorrow we share,
but our toil he doth richly repay;
not a grief or a loss,
not a frown or a cross,
but is blest if we trust and obey.

4. But we never can prove
the delights of his love
until all on the altar we lay;
for the favor he shows,
and the joy he bestows,
are for them who will trust and obey.

5. Then in fellowship sweet
we will sit at his feet,
or we'll walk by his side in the way;
what he says we will do,
where he sends we will go;
never fear, only trust and obey.

WALKING BY A BLESSING

In 1799, twelve-year-old Conrad Reed found a large, glittering rock in the stream that ran through his family's small farm in North Carolina. He carried it home to show his father, a poor immigrant farmer. His father didn't understand the rock's potential value and used it as a doorstop. The family walked by it for years.

Eventually Conrad's rock—actually a seventeen-pound gold nugget—caught the eye of a local jeweler. Soon the Reed family became wealthy, and their property became the site of the first major gold strike in the United States.

Sometimes we walk past a blessing, intent on our own plans and ways.

We have a great wealth of information on healthful living in the Word of God and in the Spirit of Prophecy. But many times we never know the value of such information, or we just ignore it not realizing the impact it can bring to our lives if we embraced and obeyed the messages from the Lord. We are sitting and walking on gold.

In one of His parables Christ likens the kingdom of heaven to a king who had bidden guests to the wedding feast in honor of the marriage of his son, and when all was prepared those whom he had invited failed to come.

'Today, under our very eyes, we continually see this reenacted, in that they to whom the message of the Gospel is sent go their own ways to their farms and merchandise, regardless of the earnest invitation which the Lord of heaven himself so graciously extends to them, —and not only do they go their own ways but they make light of the invitation, criticize, doubt, misinterpret, and disbelieve, its language and its purpose; yes, go so far as to deny its authority, and yet farther, ridicule the idea of the existence of the Great King Himself.'
